Dear Mr. and Ms. Bevers:

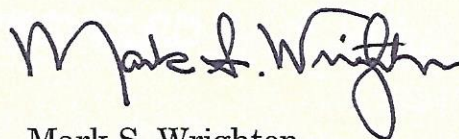

Thank you for the recent grant of \$14,000 from the Energy 4 A Cure Foundation to Washington University for support of Dr. John P. Atkinson's CRV-RVCL research in the Division of Rheumatology in the John T. Milliken Department of Medicine at the School of Medicine. We are most grateful for this generosity.

The research enterprise at Washington University is among the world's most productive and successful, thriving on a rich history of achievement. Our faculty, staff, and students relentlessly pursue the creation of new knowledge in every discipline. The support of Energy 4 A Cure Foundation fortifies our efforts and enhances our ability to advance ideas that improve our nation and the world.

Again, on behalf of Dr. Atkinson, all of us at Washington University, and especially those who will benefit from the research conducted with the support of this grant, thank you.

With best regards,

Sincerely yours,

Mark S. Wrighton
